Use Sustainability to Achieve EYLF Outcomes
Course Brochure

What’s it about?
Sustainability education can help your children reach Early Years Learning Framework (EYLF) outcomes in lots of different ways. This course will help you actively involve children in sustainability activities and routines that build their confidence as learners and decision makers.

What will I learn?
- What sustainability is and why it’s important.
- How sustainability fits into the Early Years Learning Framework (EYLF).
- How to use the Principles of Education for Sustainability.
- How to involve your children using EYLF teaching resources.

How long does it go for?
This course will take you 1 hour to complete.
Enjoy it in one session or spread it out over a few weeks. You will have ongoing access.

How does it work?
This course is on-demand and for private study.
Learn at your own pace and at times that suit you.

What are the course modules?
1. Introduction Get started with your online PD.
2. Planet, People, Profit Discover the three pillars that lead to sustainability.
3. EYLF Find out how sustainability supports the EYLF.
4. Your Teaching Explore a range of teaching resources from Cool Australia.
5. Reflection Reflect on your course learning.
What are the early childhood links?
Outcome 1. Children have a strong sense of identity.
Outcome 2. Children are connected with and contribute to their world.
Outcome 3. Children have a strong sense of wellbeing.
Outcome 4. Children are confident and involved learners.
Outcome 5. Children are effective communicators.
